

3.4. Minimum Charges

● (For carrier deviating/additional rules see section 8.3.)

● (For carrier deviating/additional minimum charges see section 4.3. (Rates Books).)

3.4.1. General

- When the weight or volume charge for a consignment is lower than the minimum charge, the minimum charge shall apply. The minimum charge takes precedence over:
 - any lower combination of minimum charges
 - any lower charge resulting from applying charges contained in another rule (unless specifically provided in that rule).
- Any valuation charge shall not be included with the weight or volume charge.
- Minimum charges apply on a per consignment basis.
- Minimum charges to destinations not published in the Rates books are as indicated in Rule 3.4.2. below.

3.4.2. Charges per Country

Not applicable:

- Between countries in the ECAA.
- To and from Australia and Japan.
- Between the USA and the ECAA.

The minimum charges are published below.
